Oblate School of Theology announces upcoming scholarships. The School has plenty of sources to relieve financial burden. The sources are listed below. The scholarship committee awards scholarships on a semester basis. The applications are located in front of the business office excluding the Joyce grant and the Sullivan grant, which are determined by the Ministry to Ministers director.

Please spread the word and apply for Oblate Scholarships. Often students do not know about the assistance available. The Whalen Scholarships and other new scholarships provide a significant increase in dollars given to students. Other scholarship funds are growing as well. The process is simple and Oblate wants to help students decrease the costs. Contact Esperanza at 341-1366 ext 247, business@ost.edu and apply for Scholarship.
